[Research Gate](#) [Google Scholar](#) [ORCiD](#)

I was born in Munroe Island, a backwater tourist village in south India. My education and passion for nature shaped me as a budding biologist. My interest lies in understanding the lesser-known small mammals, especially those seen in the forested landscape of south India, and my research concentrated on taxonomy, biogeography, bioacoustics, niche modeling, and behavior that will help to draw meaningful results for the long-term conservation of those elusive species and their habitats.

Professional Experience

Assistant Professor: Dept. of Wildlife Sciences, College of Forestry, Kerala Agricultural University (KAU), India (15 Feb 2021-continuing)

Assistant Director: Institute for Biodiversity Conservation and Training, Bangalore, India (June 2020-Feb 21)

Teaching Assistant: KAU (Nov 2012– Feb 2014 & Sept 2015– Aug 2016)

Ecologist: Periyar Tiger Conservation Foundation, Periyar Tiger Reserve Kerala (March 2014–April 2015)

GIS consultant: Consultant for Kerala Forest Development Corporation, Thrissur (2015)

Ecotourism consultant: Consultant for Palaruvi Ecotourism, Kerala Forest Department (2014)

Education

Ph.D. Zoology (Wildlife) (Oct 2024- on-going) Kerala Forest Research Institute, University of Calicut, India

M.Sc. Wildlife Sciences (2010-2012), College of Forestry, Kerala Agricultural University, IN

B.Sc. Forestry (2006-2010), College of Forestry, Kerala Agricultural University, IN

Courses handling at Kerala Agricultural University

Undergraduate program: Wild 1201 Wildlife biology (2+1); SAAS 2119 Forest Ecology and conservation biology (2+1); Wild 2203 Herpetology (1+1); Wild 3104 Wildlife management (1+1); Wild 3206 Fundamentals of conservation biology (1+1)

Postgraduate program: WLS 502 Advanced Wildlife Management (2+1); WLS 505 Mammalogy and Indian Mammals (2+1); WLS 508: Wildlife Ecology (1+1)

Research students

1. *Ms. Mahalakshmi Chelladurai* (KAU_2023-24). Integrative taxonomy of selected vesper bats of Western Ghats
2. *Mr. Irfan Mubarak* (Pondicherry University_2023-24-External). A Comprehensive taxonomic study of bat fauna in Lakshadweep's coral Isle, southwest India
3. *Ms. Shalini MK* (Pondicherry University_2023-24-External). Roost characteristics and activity pattern of *Pipistrellus* in Lakshadweep Archipelago

Research partners/Collaborators

1. Dr. Pipat Soisook, Prince of Songla University, Thailand
2. Dr. Uma Ramakrishnan National Centre for Biological Sciences, Bangalore, India
3. Dr. Balaji Chattopadhyay and Dr. Kritika Garg, Ashoka University, New Delhi, India
4. Dr. Rohit Chakravarty, Nature Conservation Foundation, Bangalore
5. Dr. Tharaka Kusuminda, University of Colombo, Sri Lanka

Other institutional collaborators

- | | |
|--|----------------------------------|
| 6. Kerala Forest Department | 9. Goa Forest Department |
| 7. Kerala Forest Research Institute | 10. Pondicherry University |
| 8. Kerala Forest Development Corporation | 11. Bat Conservation India Trust |

Grants/ Scholarship/Awards/Recognitions

1. Travel grant to attend 5th International South East Asia Bat Conference-SEABCO 2024, Vietnam (26-28 Nov 2024)
2. Research grant worth 5 Lakhs (6,020 USD) for mapping Human Wildlife Conflict in Goa State (Goa Forest Department, Oct 2023)
3. Received IDEA WILD equipment Grant thrice (2016, 2021, 2023)-equipment's worth USD 4,000 for undertaking bat studies in India.
4. Holohil Grant programme 2022-4th Quarter winner. Received bat-transmitting devices worth CAD\$2,000 for studying bat movement patterns in Western Ghats (2022).
5. Dr. C. Chandrashekharan Memmorial Award for the contributing towards forest conservation in Kerala, India (2020)
6. Yunnan Research Grant for undertaking a project entitled "Understanding the probable impact of climate change on the bat communities of south India" (2017)
7. Doctoral fellowship from University of Chinese Academy of Sciences for doctoral degree (2016)
8. Consultancy grant for land survey and preparation of land use map under Kerala Forest Development Corporation, Thrissur, Kerala, India (2015)
9. Consultancy grant for undertaking ecotourism carrying capacity under Kerala Forest and Wildlife Department, Palaruvi ecotourism, Kerala, India (2015)
10. Appreciation letter for the commendable work done in Periyar Tiger Reserve by Kerala Forest Department (2014)
11. Full scholarship for presenting a research paper in Students Conference on Conservation Science (SCCS), Uni. of Cambridge (2013)
12. Scholarship for one-month internship on Bat taxonomy and acoustics at Harrison Institute, United Kingdom (2013)
13. Secured second position in KAU Post Graduate programme (2012)

On-going Research

1. Human-Wildlife Conflict analysis in Kerala, Karnataka and Goa State
2. Taxonomy of Vesper bats and Leaf-nosed bats in the Western Ghats
3. Bat1K

Publication in preparation

1. State of India's Bat (Book)
2. Irfan et al (Zootaxa). Bats in Paradise: A comprehensive taxonomic study of bat fauna in Lakshadweep's coral island, southwest India
3. Irfan et al (Journal of Asia Pacific Biodiversity) Time activity pattern and activity overlaps of two species of Pipistrellus (Vespertilionidae: Chiroptera) in Lakshadweep Island, southwest India
4. Shalini et al (Tropical Ecology) Comparative analysis of roost preferences in two Pipistrellus species of Lakshadweep Coral Islands, south west India
5. Chelladurai et al (Acta Chiropterologica) Climate change impact on the bats of Peninsular India
6. Chelladurai et al (Journal of Tropical Ecology) Phenotypic plasticity in *Hipposideros pomona* in Western Ghats
7. Raman et al (Zookeys) Description of a new species of *Murina* from the Western Ghats

Journal Publications

1. Anderson et al. (2025). First Records of the Wrinkle-lipped Free-tailed Bat (Molossidae: *Mops plicatus* (Buchannan, 1800)) from the Maldives. *Journal of Bat Research and Conservation*

2. Divarak et al. (2025). New distributional ranges of endangered *Latidens salimalii* Thonglongya, 1972 (Chiroptera: Pteropodidae) from Western Ghats, peninsular India. *Journal of Bat Research and Conservation*

Research Reports

1. Sreehari, R. 2016. *An assessment of recreational value and carrying capacity for various ecotourism products in Palaruvi, Aryankavu Range, Thenmala Forest Division*. Kerala Forest Department, Kollam, 34p.
2. Jamaludeen, V. and Sreehari, R. 2016. *Report on the sandal regeneration survey at Aryankavu Range, Thenmala Forest Division*, Kerala Forest Department, Kollam, 23p.
3. Sreehari R., S. Chacko and R.M. Babu. 2015. *Report on the workshop Human-Wildlife Interface held at Periyar Tiger Reserve on 3rd March 2015*. Periyar Tiger Conservation Foundation, Thekkady, Kerala, 36p.
4. Sreehari R., 2015. *Ecological Impact monitoring of Sabarimala Pilgrimage Season 2014-2015*. Periyar Tiger Conservation Foundation, Thekkady, Kerala, 32p.
5. Sreehari R. and Chacko, S. 2015. *Impact of raised water level at Periyar Lake in Periyar Tiger Reserve*. Periyar Tiger Conservation Foundation, Thekkady, Kerala, 35p.
6. Das, S., R. Sreehari and K.P. Rajkumar. 2015. *Report on the Amphibians of Periyar Tiger Reserve*. Periyar Tiger Conservation Foundation, Thekkady, Kerala, 29p.
7. Kalesh, S. and R. Sreehari. 2015. *Butterflies of Periyar Tiger Reserve*. Periyar Tiger Conservation Foundation, Thekkady, Kerala, 49p.
8. Sreehari R. and S. Umesh. 2014. *Impact Assessment during Chitrapournami festival in Mangaladevi, Periyar Tiger Reserve during 2014*. Periyar Tiger Conservation Foundation, Thekkady, Kerala, 26p.

Extension-Resource person/Invited lectures/Training/Webinar

1. *Resource Person*: “Training workshop on Bat Taxonomy, Acoustics and Biogeography” at Kerala Forest Research Institute, India (Feb 2023; April 2024; March 2025)- trained 90 early career researchers & students
2. *Resource Person*: Two-day training on wildlife monitoring and management for the frontline staff of Kerala Forest Development Corporation, KFDC Gavi Division (23 & 24 Jan 2024)- trained 50 frontline staff of KFDC
3. *Invited talk*: “Human-Wildlife Conflict: animal behavior, mitigation measures” to the Range Forest Officers (30#), Kerala Forest Department 12 Jan 2024 (online)
4. *Invited talk*: “Status and conservation of wildlife in Kerala” to the Range Forest Officers (trainees), Kerala Forest Department 18 Dec 2024 (online)
5. *Invited lecture*: “Bats: Nature’s mysterious aviator” at Thunchath Ezhuthachan Malayalam University, Kerala (25 Sept 2023) Attendees 30
6. *Resource person* : “Two-day workshop on Ecological Niche Modelling using MaxEnt” at Kerala Forest Research Institute, India (9-10 Aug 2023)- Attendees 30
7. *Resource person*: “Two days training workshop on bat taxonomy and acoustics” at Kerala Forest Research Institute, India (27-28 Feb 2023)- Attendees 25
8. *Invited Lecture*: “Wildlife and Conservation Biology” for the Beat Forest Officers at State Forest Training Institute, Walayar, Palakkad (4-6 July 2022; 17-19 Oct 2022; 6-7 Feb 2023; 2-4 May 2023) Total Attendees 150
9. *Invited lecture*: “Wildlife monitoring techniques” for the Beat Forest Officers trainees at State Forest Training Institute, Arippa, Kerala (21-22 Oct 2022) Attendees 50

10. *Invited talk: "Insight into the taxonomy and ecology of bats of Western Ghats"* at Advanced Institute for Wildlife Conservation (AIWC), Tamil Nadu (22 Sept 2022) Hybrid Mode Attendees 70
11. *Invited lecture: "Bats, the glorified mammals"* at Pala St. Thomas College, Kottayam (26 Nov 2021) Attendees 50
12. *Webinar: "Role of students in biodiversity conservation"* organized by Kollam Social Forestry Div. and Christian College, Chengannur on the International Biodiversity Day (22 May 2021) Online mode Attendees 55
13. *Webinar: "Forest restoration: a path to recovery and well-being"* organized by Kasaragod Forest Div. on the International Day of Forest (21 March 2021) Online mode Attendees 65
14. *Webinar: "Forest and Livelihood: sustainable people and planet"* organized by Kollam Social Forestry Div. and TKM Arts College, Kollam on the World Wildlife Day (03 March 2021) Online mode Attendees 45
15. *Trainer: "Bat taxonomy and acoustic studies"* (Institute for Biodiversity Conservation and Training, Bangalore 2020)
16. *Trainer: "Species Distribution Modeling using Maxent"* at KAU (2020)
17. *Webinar: "Mammals of Kerala"* organized by Young Naturalist of Kerala (2020)
18. *Trainer: "Software Quantum GIS (QGIS)"* organized by KAU (2016)
19. Organized and conducted awareness programmes on biodiversity conservation for educational institutions at various levels school/college students across Kerala (2012-2020)

Oral/Poster Presentations

1. Sreehari Raman 2024. *Mapping bat diversity and conservation hotspots in the Western Ghats: integrating echolocation data and niche modelling*. 5th International South East Asia Bat Conference-SEABCO 2024, 26-28 Nov 2024, Vietnam (Oral presentation)
2. Jeevan, K., Raman, S., Manjusha K., Anbazhaghi, S., Muthuchamy, M. 2024. *Factors determining the current distribution of Sacred Groves of Kerala, and need for conservation* at 36th Kerala Science Congress (9-11 Feb 2024), Kasaragod, India (Poster)
3. Chelluadurai, M., Raman, S and Shameer, TT. 2024. *Impact of climate change on the bats (Mammalia: Chiroptera) of the Western Ghats, India* at 36th Kerala Science Congress (9-11 Feb 2024), Kasaragod, India (Poster)
4. Sreehari Raman, Shameer T.T., & Ushakumari P. 2022. *Consequences of climate change on the endangered bats of Western Ghats*. International Conference on Natural Science and Green Technologies for Sustainable Development, Goa University, India. (Talk)
5. Ramesh, B., Sreehari Raman, Mallik, A., & Kumar, K. 2017. *Small carnivore's diversity, distribution status and habitat preferences at Periyar Tiger Reserve, southern Western Ghats*. National Biodiversity Congress, Ponducherry, Tamil Nadu, India. (Poster)
6. Sanjayan Kumar, S.M. Vairavel & Sreehari Raman. 2015. *Sustainable bio-resources through people participation and benefit sharing. A case study from Periyar Tiger Reserve, Kerala, India*. IInd National Biodiversity Congress, Trivandrum, Kerala, India. (Poster)
7. Sreehari Raman & P.O. Nameer. 2013. *Time activity pattern of civets in southern Western Ghats, India*. Students Conference on Conservation Science, University of Cambridge, United Kingdom. (Poster)
8. Sreehari Raman & P.O. Nameer. 2013. *Status distribution of small carnivores in Parambikulam Tiger Reserve, southern Western Ghats, Kerala*. Kerala Science Congress, Techno Park, Trivandrum, Kerala. (Poster)
9. Sreehari Raman & P.O. Nameer. 2011. *Mammalian survey using camera traps in Parambikulam Tiger Reserve, Kerala*. International Students Conference on Conservation Science, Indian Institute of Science, Bangalore. (Poster)

Short-term Courses/Training Attended

1. Two-day workshop on State of Indian Bats at NCBS, Bangalore (17-18 June 2024)
2. One week training course on Next Generation Sequencing (National Center for Biological Science, Bangalore 21-26 Aug 2023)
3. Two weeks internship on Bat Taxonomy under Dr. Pipat Soisook at Prince of Songkla University, Thailand (03-13 April 2023)
4. Advanced Research Methodology-Online (Ramanujan College, New Delhi 22 Jan-05 Feb 2022)
5. Advanced Training on Moodle LMS (KAU, 21-25 March 2022)
6. Species Distribution Modelling (online course –IBCT, Bangalore 2020)
7. Niche modelling (LaCONES, Hyderabad 2018)
8. Advanced Field course in Ecology and Conservation, AFEC-16, Yunnan, China (2016)
9. Introduction to R using R-Studio and Biodiversity R with R Commander at Tamil Nadu (2016)
10. Remote Sensing and GIS in Kerala (2011, 2015, 2016) & in UK (2013)
11. Bat Acoustics at Kalakkadu Mundanthurai Tiger Reserve, TN (2012) and Harrison Institute, UK (2013)
12. School in Herpetology at Madras Crocodile Bank Trust, Tamil Nadu (2014)
13. Small Mammal Field Training Techniques at KAU (2011)

Popular Articles/ Radio Talks

1. Article in Malayalam language “Vavvalukalum Deshadanavum” (Bat Migration) in Aryanakam- A monthly magazine published by Kerala Forest Department (June 2024, p 70-71)
2. *Radio talk: “Human-Snake Conflicts and its mitigation”*; “Ecological and economic importance of Bats”; “Teak and its silvicultural practices” during the *Haritha Kerala* All India Radio programme (2016)

Workshop, Conference and Seminar Attended

1. Two-day CAMP workshop on “State of India’s Bats” at NCBS, Bangalore (17-18 June 2024)
2. Three day “Bird Festival of Goa” organized by the Gov. of Goa (27-29 Jan 2024)
3. One day workshop on “Revisiting Habitat Management Strategies in the context of Human-Wildlife Conflicts” at Kerala Forest Research Institute, India (06 Oct 2023)
4. ICAR-IASRI workshop on blended learning platform at KAU headquarters, Thrissur, India (19 Sept 2023)
5. International Conference on Natural Science and Green Technologies for Sustainable Development at Goa University, India (30 Nov to 02 Dec 2022)
6. Mentoring workshop-How to write winning research proposal at KAU (17 & 18 March 2022)
7. Workshop on Rodent Pest Control (KAU, Kerala, 2016)
8. Workshop on Conservation and Management of Western Ghats Natural Heritage Site (TVM, Kerala, 2015)
9. International Conference on Wildlife with special emphasis on Human-Animal conflict (PTR, Kerala, 2012)
10. Conservation Assessment and Management Plan on reptiles of Western Ghats (Tamil Nadu, 2011)
11. National seminar on biodiversity conservation (KAU, Kerala, 2010)

Professional Qualifications/Memberships

1. Advisory committee member of Peechi- Vazhani WLS, Chimmony WLS and Choolanoor Peacock Sanctuary since April 2024.
2. Member of Chiroptera Conservation and Information Network of South Asia (CCINSA) since 2012
3. Rodents, Insectivora and Scandentia Conservation and Information Network of South Asia (RISCINSA) since 2012
4. Supporting Member of Merlin Tuttle’s Bat Conservation (MTBC)
